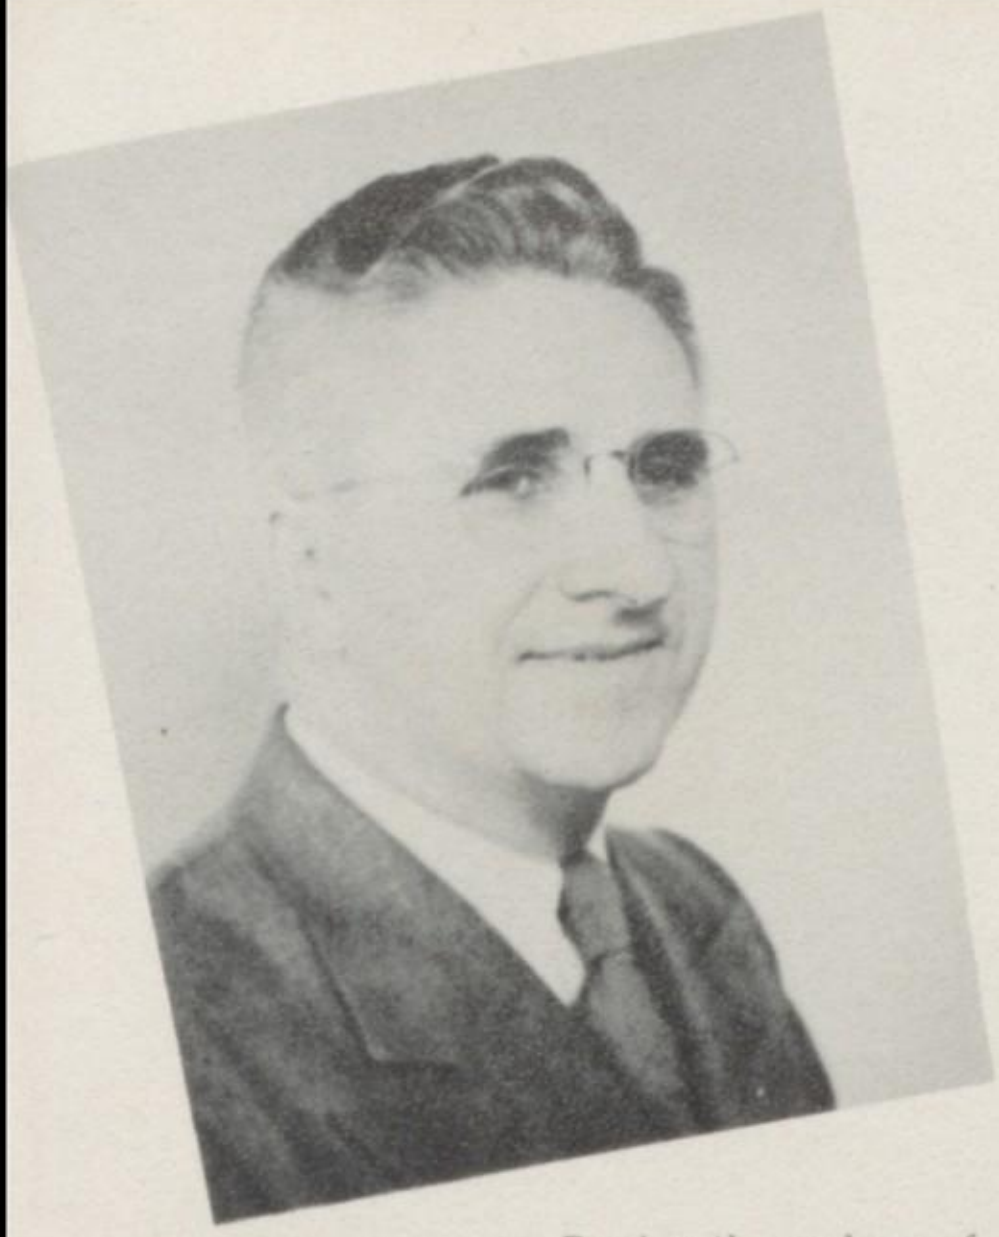
THE PANTHER

As, a reminder of the fun we had in classes, study halls, and activities, here are pictures of the things we did and the people with whom we did them. We proudly present to you the 1951 Panther.

WASHINGTON HIGH SCHOOL
Oconto Falls, Wisconsin

DEDICATION

We, the members of the Class of 1951, proudly dedicate our yearbook to you, the leader of our Senior Class--because of your keen interest in our activities, because of your friendly smile of encouragement, because you have been such a good friend, and because you will live in our hearts forever--Joyce Kilmer.



OUR SUPERINTENDENT

During these days of extreme tension and crisis, one is reminded of an incident in the life of St. Francis of Assisi. One day while he was hoeing in his garden, he was asked by one of his close associates, what he would do if he were suddenly to learn that he was to die at sunset that day. After a few moments reflection St. Francis said, "I would finish hoeing my garden."

This seems to me an answer to all the troubled young people these days who are about to step into a world that appears to hold no security for them or for anyone, young or old. Why should they bother to go to college or plan for a career when an atomic war threatens the very existence of civilized man? How can they plan for marriage and a family in the face of present uncertainties? We can't be sure of anything, these young people say, not now, or next year or the year after that. Next summer, or some summer too dangerously near, it may all go, the life we have planned and prepared for. Our world is in such deadly peril that we have lost the promise of tomorrow.

St. Francis put the answer in a simple metaphor; GO ON HOEING YOUR GARDEN. The task is still here--the lesson to prepare, the examination to write, the career to plan, the job to perform, or Uncle Sam to serve. If the future looks dark, so did it for the Christians during Nero's reign, for the early Pilgrims, the colonial army at Valley Forge, the Blue and the Grey at Gettysburg, or the Americans after Pearl Harbor. And out of each crisis has come improvement and progress, a better life, a greater tomorrow. So however dark it seems today, however dark it is, we shall meet life better if we have fullfilled the present to the best of our ability. Today is still ours; it is our obligation to live it fully. As St. Francis said, we must go on "hoeing our garden."

Class History

We entered Oconto Falls High School in 1947, a crew of green Freshies beginning our high school career. Our class officers for this new year were:President, Jerry Bramschreiber;Vice-President, Connie Sherman; Secretary, Eileen Elliott; Treasurer, Ted Hornick.

We ran around school trying to get to the right class at the right time while the upperclassmen just laughed at us. The first important thing we ran across was Homecoming. We played Sturgeon Bay. The slogan of our float was "Make Them W(h)ine."

We were entertained at a Freshman-Sophomore party, given for us by the Sophs. At the end of the year, we had a class picnic at Kelly Lake We had a nice time and just about everyone went swimming (with their clothes on) even if they didn't plan on it.

Our officers during our Sophomore year were: President, Ted Hornick; Vice-President, Dan Wessley; Secretary, Jerry Bramschreiber; Treasurer, John Knudson.

We were supposed to welcome the new Freshmen by giving them a party, but somehow or other, we never got around to it. Homecoming. this year was really special because we played our rivals, Oconto. Our float in the Homecoming parade was "Oconto Falls is the Best Man".

We ordered our class rings this year.

The class election results in our Junior year were: President, John Knudson; Vice-President, Pat Plain; Secretary, Eileen Elliott; Treasurer, Dan Wessley.

First we received our class rings, and then came Homecoming. It was very successful for we tied Sturgeon Bay 7 to 7 and won first prize on our Queen's float for beauty and first prize on our class float, "The Bay's Waggin' Behind the Falls" for origniality. We were really surprised to win a prize on our class float as we didn't have any idea of what to use until the day of the parade. We sponsored the Homecoming Dance for which Paul Peterson furnished the music.

The main event of theyear was the Junior Prom. Cliff Hoene was contracted for the music and the theme was "An Enchanted Evening." Reigning over the dance were Dan Wessley and Betty Lue Carriveau.

We finally reached the top. Our Senior officers were: President, Jerry Bramschreiber; Vice-President, Dan Wessley; Secretary, Betty Lue Carriveau, Treasurer, Norene Anderson.

Our last year began with a mad rush. Our class float for Homecoming, "Let's Trap Those Wolves:, won second prize. The game was against Algoma; Dan Wessley was Homecoming King and Susie Grosse, a Junior, was chosen Queen.

It was just one exciting event after another toward the close of our Senior year. Senior Skip Day was loads of fun for us and for the teachers we left behind. Our Senior trip to Chicago was something we will always remember. It was even more fun than we had hoped. All of us who worked on the "Panther" felt a surge of triumph when we saw the finished product. The girls had an introduction into society when they attended the Senior Tea. And then came the most wonderful event of all--graduation.

Class Prophecy

The last bell had rung, Mrs. Kilmer was taking roll, and all was quiet in the Senior Assembly. That is, except for JEAN HIDDE. As usual, she was talking to TED HORNICK.

"...and Ted, I had the stranges dream last night. I dreamed we were at class reunion in 1961. It was so exciting to hear what all the kids were doing."

"Tell me about it, Jean, I don't think Mrs. Kilmer will mind if we talk a little longer."

"Well, O.K. It semmed very natural. Everybody was there--even Mrs. Kilmer and Mr. Allen. They both looked about the same, except their hair was much whiter, the result of ten more years of advising seniors.

"You were there, Ted. You had a leave from the Navy and you were telling us all about your girls in every port. I had stopped off at the reunion on my $10,000 vacation that I won for talking the longest on Truth or Consequences.

"MARION LOTTER had brought us all some cheese from her husband's cheese factory. ELDORA STEVENS brought us a sample of her products, too; she is president of the Triple-Bubble Gum Corporation. NORENE ANDERSON and RUTH MARKS were going to entertain us by singing a duet, but it didn't sound very good--Norene was singing "Oh Johnny," and Ruth was singing "Mickey"! We had some wonderful movies shown by PAT PLAIN. She is a very successful owner of a chain of theaters in Miami. EILEEN ELLIOTT was taking notes for a big write-up in the New York Sun. The paper ran a series of articles about a professional girl's basketball team CAROL HALE had started. While JERRY BRAMSCHREIBER was here, hegave a guest lecture to Miss Hansen's physics class. He was a famous atomic scientist.

"DAN WESSLEY was still king--" King of the Cowboys. ADRAIN STE. MARIE was supposed to go to Hollywood with Dan to take care of his horses, but his car wouldn't go any futthen than Kelly Lake. They were still pulling the same old gags and I was laughing in my sleep. DIAN WEITRZYKOWSKI was in Hollywood, too. She had replaced Betty Grable. ELAINE and DOROTHY LOBERGER had leading roles on the television program, "John's Other Wives." JOAN DE COCH was a star of "Portia Faces life," and the quiz master for the Quiz Kids was BYRON PHILLIPS. JEAN and JOYCE LONGHURST showed us their pictures in Vouge under the caption "Which Twin had the Toni?" JEAN ROSENBERT was on the cover of the magazine. She was Power's favorite model. ESTHER BERNA'S picture was there, too; she was posing for Colgate tooth paste ads.

"Some of the kids were still in Oconto Falls. IONE McDERMID owned the "Oconto Falls to Green Valley" cab service. CLARENCE RHODE and DICK CALDIE were running a shoe store which specialized in high heels for girls. They brought along samples and insisted Katheryn Nickodem try them on. Bob Hammond's job had been taken over by LESTER PETERSON. MARILYN TACHICK had her own radio program on the Falls station. JIM COURCHAINE ran the "Knock-Em-Down" bowling alleys here.

"BOB RATZ was a famous lawyer. He was

giving LEONARD JISA advice on a "breach of promise" suit. BETTY PRAUSA and AUDREY NELSON had become a very famous roller skating team and had just returned from a tour of Europe. They trained at NATHALIE BRAUN'S Kelly Lake Casino. Nathalie's only competition was from the dance hall BOB BLAZEK built across the lake. LORNA FULLER was the main attraction there.

MARGARET ANN EHLINGER was a buyer for Marshall Fields Fashion Floor in Chicago. They featured a new department of clothes designed by ROSEANN RATZBERG of Paris, and I actually dreamed I saw them modeled. GWEN ANDERSEN worked in the Milwaukee zoo. Her speciality was Red Owls. JIM KADLEC was running a large soda fountain on Hollywood and Vine. MARION VALENTINE was out west also. She trained drum majorettes at U.C.L.A. BOB ROTTER had made a fortune selling crutches to injured football players there. BOB BITTERS was known as the "Lumber King of the West"! CHRISTINE DAFT owned a ranch in Reno, and DELORES GAERTIG kept house for Otto in San Francisco. KATHRYN NICKODEM was on the other coast. She served as personal secretary to the President. PAT WHITCOMB told us she was debating for the U.N. She stays at JOYCE WALSKE'S hotel at Lake Success.

"ANITA WARD and Dooley were on their way to Africa to hunt wild game. The record for swimming the English Channel had just been broken by LUCILLE BRICKNER. ANTONE SUTRICK went south--he established a Bachelors' Club in South America. JANE VANBOVEN found her husband in China, and JOHN KNUDSON was in Hawaii dancing with the Hula-hula girls. He brought one home with him.

"CAROL LOTTER was disowned because she elopedwwith the owner of the Frigidare Company. BARBARA SCHEFFEL was happily married and had just had her second set of quintuplets. BETTY LUE CARRIVEAU had preferred a career to marriage. She was singing with the Metropolitan Opera Company in New York.

"The teachers were so surprised to learn that HERBERT LOBERGER had just been elected State Superintendent of Schools, and JOYCE MAGEE was his assistant. DENNIS LARSEN played bass in the University of Wisconsin pep band. JOYCE LEONARD was teaching country school at Krakow. ESTHER BAIN was at La Cross learning to be a Phy Ed teacher. She gave us excercises to do, and believe it or not, Ted, I'm stiff.

"JOYCE KOVNESKI was writing the Dorothy Dix column. SYLVIA WHITE had traced her ancestry back to Snow White and she was living with the Seven Dwarfs."

"Gee Jean, what did you eat before you went to bed?"

"I know it was just a dream, Ted, and yet it was so real. It seemed just as if--oh, oh, I think Mrs. Kilmer really wants us to shut up. But Teddy, what do you think we will really be doing then?"

We Juniors have survived our three years with great success. Our Junior year started off with a bang, with all of us working hard to make Homecoming the biggest success yet. Our Queens Float won first prize for "the most beautiful". We also entered another float with the title, "Let's Perk Over Algoma". Our Homecoming Dance was well attended. One of our members, Suzie Grosse, reigned over the festivities as queen.

After receiving our class rings we settled down to raise money for the prom in various ways, one of which was putting on square dances. Then the greatest event of all, the prom was a big success.

We still have our senior year to look forward to with hopes that it will be as bright and as happy as the past.

We, the Sophomore Class, leaving our "Green year" behind us, were full of pep and eager to start a new year.

The first thing that we did was to elect class officers.

We all worked hard during homecoming and our theme for our float was "Victory Comes-Defeat Goes". One of the biggest events of the year was the ordering of our class rings which we will be receiving in our "royal year".

Under the capable supervision of our new staff advisor, Miss Gutkin, we had a very successful annual staff this year and will never forget all the time, patience, and work we put into the "Panther". Every one was very cooperative and worked hard even when it meant coming back to school evenings. Even if at times our school work was neglected, it was worth it. We think we have put out a wonderful book, and though it was a lot of work, it was also a lot of fun.

A slide show showing Honors Day, Commencement, Homecoming, and football pictures was given this year. Slides were shown on "How to Develop Pictures". Then the club was divided into groups to do the actual work.

In the spring, a camera display was held. Miss Hansen explained the advantages of the different types of cameras and also how to use home equipment.

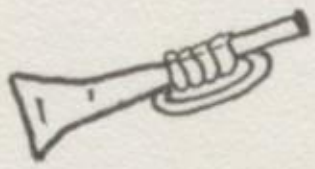
Senior Band



Mr. Shannon raises his baton and the sound of music fills the air. Under Mr. Shannon's direction, we met in daily rehearsals to prepare for our many performances during the course of the year. Besides the usual Spring and Christmas concerts, and the annual Music Tournament, we participated in an exchange concert with Oconto. Some of the members of our group formed a pep band, which played for all pep assemblies and home games.

Marion Valentine, our drum majorette, and a fine group of twirlers lead our band through many parades.

Toot-toot! Squeak-squeak! What's that noise? What are those sounds? That's the Junior Band. This year there were more than forty members in the band, and through hard work, they became good enough to play in the Spring concert.

This was the first year that the Junior band attended the Annual Music Festival.

Many of the club members went to Neenah in the fall to attend the Speech institute. They enjoyed this trip very much and learned a great deal about the arts of dramatics and forensics. The club was well represented in the Forensic Contest in the spring.

Men only-that's the Lettermen's Club. Our club is composed of boys who have earned at least one major letter in athletics. This club is under the supervision of Mr. Messmann and Mr. Steffin. The Lettermen's Club took care of selling all the refreshments at football and basketball games. One of our projects was to buy a new time clock for the gymnasium.

This year, as in other years, the Lettermen's Club sent the basketball team to the state tournament at Madison. Our club set up committees to print programs for all the athletic events.

The Pep Club, which was a big organization this year, was very active and progressive. They backed the football and basketball teams through both seasons. They also supported the various school activities which were planned by other clubs.

The Sadie Hawkins Dance which was sponsored was a huge success. We owe much to our cheerleaders and to our very able advisors, Mr. Hammond and Miss Derlin, who were new this year.

PANTHER PACK

The football team suffered one of their worst seasons for injuries with three lettermen, Larsen, Rhode, and Rotter, finishing their football season at the hospital. The team finished the season with a .500 average and a fourth in the tough N. E. W. Conference winning two and losing three in Conference play while winning two out of three non-conference tilts early in the season. Nine seniors, eight of them letter winers, completed their football careers for Falls High School.

FALLS--19 LOURDES--0

The Falls opened their 1950 season with a 19-0 victory over Bob Noonan's Lourdes eleven. With Lourdes a 14 point favorite the Panthers took the opening kickoff and drove down to pay dirt. With a 6 point lead they continued to roll over their favored opponents for their first victory of the season.

FALLS--8 BONDUEL--25

The spirited Oconto Falls eleven traveled to Bonduel for their second game of the season. The Falls tallied first as Blom was trapped in the end zone by Hutson for a 2 point safety early in the first quarter. The big Bears of Bonduel came back strong to score a touchdown before the half leaving the score 7-2 at halftime. The Falls scored again with Bramschreiber scampering 30 yards. Bonduel tallied two more times, to roll on to victory.

FALLS--13 PULASKI--6

Falls then traveled to Pulaski to meet John Storzer's Red Raiders. The Panthers scored first in the third quarter with Bramschreiber going over for the first 6 points. Pulaski came back with a quick touchdown to make the score 7-6 in favor of the Falls. A touchdown pass, Redman to Bramschreiber, put the game on ice. This was Pulaski's only defeat of the season.

FALLS--30 KEWAUNEE--19

Oconto Falls opened their conference play with a scrappy Kewaunee eleven. The Panthers offense clicked beautifully with the backfield running well. The Falls scored once in the first quarter and twice in the second. Leading 18-6 at halftime, the Falls went on to win the game. Highlights of the game were the hard running of Jerry Redman and great engineering of quarterback Jerry Bramschreiber.

FALLS--0 ALGOMA--19

An inspired Wolves eleven spoiled the Panthers" Homecoming before a crowd of about 2,000 people. Playing inspired ball for one half and continuously keeping a bewildered Algoma eleven in their own territory, Denny Larsen's and Rabbit Rotter's injuries proved too much for the fighting Panthers, as Algoma found themselves and won a victory.

FALLS--0 STURGEON BAY--39

An injury riddled Panther eleven traveled to Sturgeon Bay to meet their undefeated team. The Falls lost most of their spirit after Bramschreiber was injured early in the game, giving Sturgeon Bay a successful Homecoming. This was the low point of our football season.

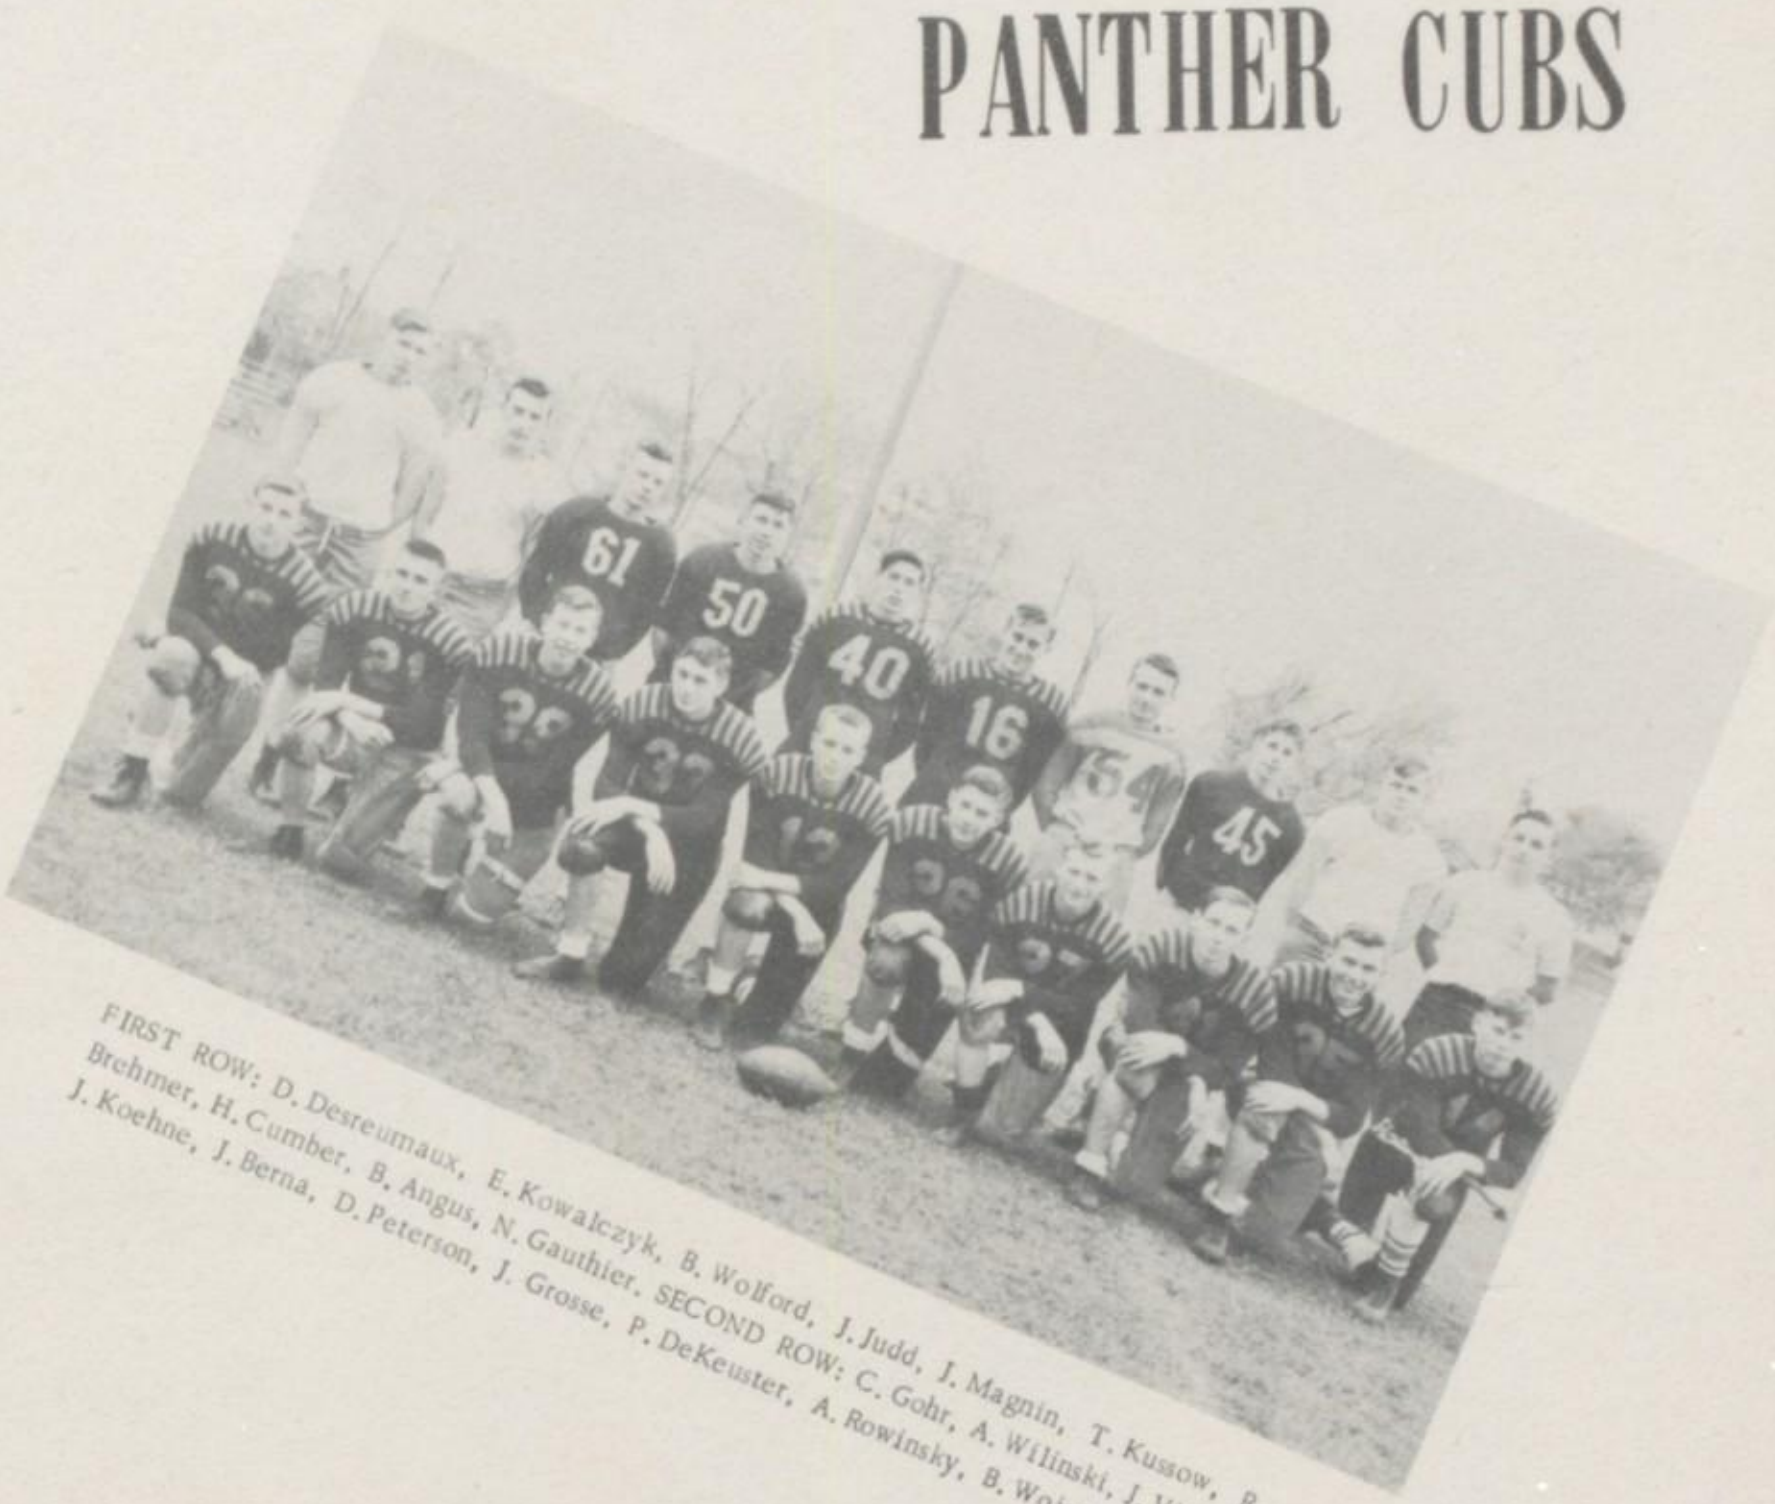
FALLS--18 DEPERE--13

After losing two games in a row, the Falls came back beautifully to beat a powerful De Pere eleven. The Falls defense showed up especially well. Leading 12-6 at half-time, the Panthers had to overcome a 13-12 deficit to win a blazing victory in the closing minutes.

FALLS--6 OCONTO--13

Oconto took the opening kickoff and was forced to punt when held by a strong defensive wall. A pass interception late in the first quarter by Jerry Redman set up the first Falls score. Oconto came back strong with a sustained drive to score with Oconto Falls holding the edge at halftime 7-6. Oconto showing a strong defense in the second half, and Staidl, Oconto's star halfback, won the contest in the 3rd quarter with a TD.

PANTHER CUBS



FIRST ROW: D. Desreumaux, E. Kowalczyk, B. Wolford, J. Judd, J. Magnin, T. Kussow, R. Brehmer, H. Cumber, B. Angus, N. Gauthier. SECOND ROW: C. Gohr, A. Wilinski, J. Virtues, J. Koehne, J. Berna, D. Peterson, J. Grosse, P. DeKeuster, A. Rowinsky, B. Wojcik.

Showing a lot of drive and spirit, the Oconto Falls JV's rolled up an undefeated season under the guidance of Carl Steffens. Many players showed a considerable amount of ability which will show up again next year. Although they played only two games, the team proved very successful in beating Pulaski 6-0 at Pulaski and again whipping the Red Raiders JV's 14-0 at Oconto Falls. Several prospects proved outstanding and will be of great value to next years varsity.

The Freshmen, coached by Norm Messmann had a successful season, winning one game, losing two, and tying one. The Freshmen beat Pulaski 7-6 at home but lost the return game at Pulaski 7-6. The other loss was at the hands of the Sophomores, 19-0. In the last game of the season, our Freshmen held a tough Bonduel Freshman team to a 0-0 tie.

The prospects for next year's B-Team are good. There were many outstanding players who should give any returning B-Team members a fight for their positions.

Varsity Basketball

FIRST ROW: N. Tisch, J. Bramschreiber, C. Rhode, J. Redman, R. Caldie. SECOND ROW: Coach Steffin, D. Desreumaux, D. Peterson, R. Gerhartz, L. Peterson, D. Nelson, G. Trudell, R. Gilbertson, A. Ste Marie

A fighting squad of Panthers ably coached by Carl Steffin fought their way to one of the most successful seasons in recent years.

The team finished third in the N.E.W. Conference, with eight wins and four losses. The overall season's mark was thirteen wins and ten losses. They were edged in the tournament opener by Oconto, bounded back on Peshtigo and rolled over Clintonville for the Consolation Championship.

The squad will lose three seniors: Jerry Bramschreiber, one of the most colorful ball players in the school's history and the school's individual scoring champ with 317 points, Dick Caldie, hardworking pivot man and Les Peterson, whose fight was a great asset to the team. Mr. Steffin will have to rely on six emblem winners from this year's varsity to carry the burden next season. They are Bud Tisch, Dan Desreumaux, Don Peterson, Joe Trudell, and Bobbie Gerhartz.

The G. A. A. was formed during the last half of the first semester and became an official organization during the second semester. One of the main objectives of the group is to provide recreation suitable for all girls in school, not only G. A. A. members. The activities of the club in the past year were basketball, bowling, horseback riding, and roller skating. Activities for the future are volleyball, tumbling, tennis and softball.

The point system used nationally by G. A. A. clubs has been adopted for the Falls. This point system enables a girl to earn either an emblem badge or a school letter, depending on the amount of points she has earned.

We all hope that, with cooperation from the whole school, the G. A. A. will remain a permanent activity in Oconto Falls High School.
